Saturday, October 16, 2021
9:00am-3:00pm

Call or email us to sign-up
to volunteer.

231-889-9666

MANISTEECD@MACD.ORG

Help us collect critical stream data!
Volunteers will be collecting aquatic
macroinvertebrates from sites along the
stream. Monitoring for
macroinvertebrates can tell us a lot about
stream health and can ensure our water
quality remains excellent!

- No previous experience required
- All equipment will be supplied
